

RAUMTÄNZER
CREATE YOUR OWN REALITY

AR/VR will dominate the world. Are you on board?

Scan the QR Code with your smartphone and download the RAUMTÄNZER app.
Scan the entire graphic in landscape format with the app. Stay in this position and wait for the surprise.

We are looking for a

Project Manager (m/f/d)

to join our team immediately

Initially a Bielefeld University spin-off, RAUMTÄNZER GmbH was founded in April 2017 as an independent company with offices in Bielefeld and Rheda-Wiedenbrück. RAUMTÄNZER develops innovative solutions for augmented reality (AR) and virtual reality (VR).

RAUMTÄNZER is a team of technology geeks. We are at the interface between science and business, and continuously work on research and further development of our products and services.

Are you more interested in achieving fantastic results rather than completing tasks with the least effort? Do you have high quality standards and the motivation to break new ground? Then shape the future with us and apply now!

This is what makes you stand out:

- *You have at least 5 years professional experience in planning and coordinating projects (ideally software projects, experience with Scrum).*
- *You are familiar with marker recognition, rendering, feature points, computer graphics, etc.*
- *You have a technical understanding of software architectures (e.g. Unity)*
- *You have a strong interest in digital media*
- *You are curious, open-minded and examine context in order to get a comprehensive overview of the project requirements*

This is what makes us special:

- *Regular staff meetings for career development*
- *Trust-based working hours instead of set hours and clocking in*

This is what you will do:

- *Responsible for qualitative elicitation of all relevant parameters up to the start of the project Key priorities: app development, 3D-modeling and design, augmented and virtual reality*
- *Plan, coordinate and integrate (project) requirements for the team*
- *First port of call for customers and the internal team*
- *Responsible for both budget and revenue*
- *Identification, demonstration and implementation of optimization opportunities*

- *Flexible hours, either at home or in our offices in Bielefeld and Rheda-Wiedenbrück*
- *Personal laptop to work flexibly*

Interested? Even if your profile does not match every single requirement, you still stand a chance if you impress us with your personality! We can work together on developing your skill set.

Send your application and work samples to the following email:
bewerbung@raumtaenzer.com or use the application form below.

If you have any questions, contact us on **Phone +49 5242/55 000 - 61**.

We look forward to meeting you!
